**Statement by Governor Jan Brewer**

*Congresswoman Gabrielle Giffords*

"Whatever your politics, it was a thrill Monday to see Congresswoman Giffords back on the floor of the U.S. House of Representatives and casting a vote along with her colleagues.

"The road back from a gunman's bullet has been more difficult than any of us can possibly know, but her grit and determination continue to inspire. As with all Arizonans, I will hold Gabby in my thoughts and prayers as she continues her remarkable recovery."
